Thanks on the meeting reply (I received it earlier today).

Considering the number of women in the consulting, it's interesting that you have only dealt with two women consultants on PCBs matters since 2007.

Happy Friday, Linda

Hello Linda:

I look forward to meeting with you on January 23, 2014. I have replied to the meeting invitation that you sent to me. I do look forward to meeting with you and part of your team on that day. You are one of two women consultant that I have dealt with on PCB projects since late 2007 when I started working in the PCB program.

Thank you for your courtesies.
